

# DARE TO BE DIFFERENT!

Start here

*Find out what the  
Bible says about being  
different from the world.*

Start at the letter D  
and take every 3rd character around  
the oval, writing them on a blank  
sheet of paper, until you have used  
all the characters in the outside oval,  
then move to the inner oval with the  
letter T and continue in the same way  
until all the characters are used up.

You will have to separate the letters  
into words. You can check your  
answer in Romans 12:2 (NLT)
