

# 8A FREEDOM WORKSHEET

Being morally free is to have the power to do what you should. God gives us this power and we can be free from the things that make people slaves to sin. In the Caboose puzzle below, the last letter of one word is the first letter of the next word. Use the clues to fill in the words around the train track. Remember they will start out going forwards and end up going backwards halfway round. The words are all things that make people slaves to sin.
